Large Cord & Cable Reel Rack

The large cord and cable reel rack has a 10,000 lbs. capacity with adjustable reel brackets. The large reel rack is constructed of heavy-duty steel for easy loading and safe storage of wire and cable, allowing efficient dispensing by just one person. Keeps areas organized and clutter-free. The large reel racks can be bolted together to expand capacity.

Specifications

- ✓ Maximum Capacity: 10,000 lbs. Total, up to 2,000 lbs. per axle level
- ✓ Measures 120" H x 48" W x 36" D
- ✓ Holds reel sizes up to 60" diameter
- ✓ Gray powder coat finish
- ✓ Easy to assemble

Features & Benefits

Reel Rack Construction

Heavy duty steel construction is built to last.

Reel Rack Capacity

Adjustable for up to 60" diameter reels. Axle brackets accommodate up to 2" diameter and support up to 2,000 lbs. per level. Maximum capacity 10,000 lbs.

Safety Features

Safety pins lock axle brackets and cross beams to upright frame. Cross beams and brackets adjust on 3" centers. Rack should be secured to the floor.

Easy to Dispense the Cable Needed

Allows you to take just the right amount of "Kink Free – Twist Free" AATPC product for the job at hand, therefore reducing waste and saving time.

Space Saver

Can be located in stores, crib, construction or high maintenance areas. Organizes inventory and makes visual inspection easy.
